University Name/Year/Area of study:

_____ I am interested in receiving credit through my university.

How did you first become aware of Creativity for Peace?

Why are you interested in an internship with Creativity for Peace?

What special skills or experience do you bring to the organization?

What skills would you like to attain and/or improve upon during your internship?

How will this work experience help you to achieve future work related goals?

In addition to general administrative/support work that will introduce interns to many areas of our work, and assistance with summer peace camp, each intern will have a specific area of focus. Please mark your preferred area(s) of focus for independent project (check all that apply):

Online fundraising

Fundraising (i.e. special events, volunteer-led fundraising efforts, grant research, etc.)

Managing social media

Writing articles for or designing electronic bulletins or newsletters

Work on Creativity for Peace website

Planning educational programs for volunteers and donors

Coordinating volunteer event (such as camp work parties, film screenings, etc.)

Researching literature on a particular subject

Art-related projects
